

Sar sajde mein jhuk jaye
 To use log ibadat kahte hai
 Dil sajde mein jhuk jaye
 To use log mohabbat kahte hai
 Ye husn o ishq ki kitni hasin mehfil hai
 Kisi ki julf me atka huwa mera dil hai
 Ha aa re ri re ro aa, ha aa re ri re ro aa

Deewana deewana deewana
 Apni mehbooba ki tarif karta rahta hai
 Kuchh bhi kahta hai is
 Deewane ki baato mein na jana
 Ke main bhi hu apni jaan ka deewana
 Deewana deewana mai to
 Deewana bin piye mastana

Wo chand hai, wo chandani,
 Wo geet hai, wo baasuri
 Wo jaan hai, wo zindagi
 Zindagi zindagi, ha zindagi
 Zindagi zindagi ho zindagi
 Zindagi zindagi, ha zindagi zindagi
 Tu apni mehbooba ki mujhko taswir dikhana
 Dekh ke usko hosh me rehna josh me na aa jana
 Mai to deewana, mehbooba ka deewana
 Deewana mai to deewana, wo shama mai parwaana
 Deewana deewana deewana deewana
 Deewana deewana deewana deewana
 Main deewana, main deewana,
 Ho main deewana, main deewana
 Deewana deewana deewana
 Deewana apni jaan ka deewana
 Deewana mai to deewana, bin piye mastana

Ruke nazar nazar, jhuke nazar nazar
 Dil aankho se aar nikal jaye
 Kahi aag lage, kahi pyas jage
 Use chhu le jo hath wo jal jaaye
 Kuch naam pata to batla naa
 Mere dil me rahe wo jane jana
 Deewana deewana deewana
 Deewana deewana deewana deewana
 Deewana deewana deewana
 Deewana deewana deewana deewana
 Deewana deewana kya tu hai
 Deewana, deewana, deewana
 Ji ha ji mai to deewana, mehbooba ka deewana
 Deewana mai to deewana, deewana mastana

Ek gul hai wo, bulbul hai wo
 Khushbu hai wo, jaadu hai wo to lag gayi ha lag gayi
 Lag gayi lag gayi ha lag gayi lag gayi lag gayi lag gayi
 Lag gayi lag gayi ha lag gayi lag gayi
 Ruth kahi na jaye mujhse mera yaar purana
 Tut na jaye hum dono ka barso ka yarana
 Ha mai to deewana, wo shama main parwana

Deewana mai to deewana, bin piye mastana
Deewana deewana deewana deewana
Deewana deewana deewana deewana
Ye deewana, ye deewana,
Ye deewana, ye deewana
Deewana deewana deewana deewana
Deewana deewana deewana
Mehbooba ka deewana
Deewana yeh to deewana,
Apni jaan ka deewana
Deewana deewana deewana
Deewana deewana deewana.
