

Deewaro ka jungle  
Jiska aabadi hai naam  
Baahar se chup chup lagta  
Hai adar hai koharaam

Deewaro ke is jungle  
Me bhatak rahe insaan  
Apne apne ulajhe  
Daaman jhatak rahe insaan  
Apni vipadaa chodake aaye  
Apni vipadaa chodake aaye  
Kaun kisi ke kam  
Baahar se chup chup lagta  
Hai andar hai koharaam

Sine khaali aankhe

Sine khaali aankhe  
Suni cheharo par hairaani  
Jitane ghane hagaame  
Is me utani ghani viraani  
Raate katil subahe mujrim  
Raate katil subahe mujrim  
Mulzim hai har shaam  
Baahar se chup chup  
Lagta hai adar hai koharaam.
