

Ghar ko main nikala tanaha akela
Saath mere kaun hai, yaar hai mera
Jo bhi karana tha, kar aa gaya main
Pyaar ko hi maanate chalate jaana
Dekha hai aise bhi kisi ko aise hi
Apne bhi dil mein basaaye huye kuchh iraade hain
Dil ke kisi kone mein bhi kuchh aise hi waade hai
Inako liye jab hum chalein, najaarein bhi hamase milein
Ho o o o o o.....

Dekha hai aise bhi kisi ko aise hi

Hasate hasaate yuun sabako manaate hum jaayenge
Barso ki duri ko milake hum saath mitaayenge
Pyaar rahe unake liye jo dhunde woh unako mile
Ho o o o o o.....

Thoda sa garaj hai, thodi samajh hai
Chaahato ke daayare mein rukhaana faraj hai
Koyi kehata hai ki ghar aa gaya hai
Aaraju bhi arj hai badhate jaana
Dekha hai aise bhi kisi ko aise hi
Dil ke jharoko mein abb bhi muhabbat ke saaye hain
Reh jaaye jo baad mein bhi hamaari wafaaye hain
Inake liye abb tak chale hazaaron mein hum bhi mile
Ho o o o o o.....
