

Dekha tujhe sau martaba, phir bhi mera dil na bhara
Maine jo khaab dekhe tere hi saath dekhe
Haathon mein haath de de aa
Meri jo jindagi hai abb teri ho gayi hai
Tujhmein hi kho gayi hai aa

Teri julfon hai kitne baadal chhupe
Yeh jo lehraaye hone lagi barsaatein
Sunta rehta hoon main sunke kehta hoon main
Teri ghaamoshiyaan bhi karati hai kayi baatein
Mausam badal rahein hain, tujhse nikal rahe hain
Tujhme hi dhal rahein hain aa
Bharatlyrics.com
Tu hi toh chaandani hain, tujhmein jo roshani hain
Subah usase bani hai aa

Aasmaan se kabhi dekhle chaand bhi, toh woh taaron se taarife karta hai teri
Tujhmein khushboo koi rehati hai har ghadi
Tujhko chhu ke hi mehaki hai saansein meri
Chehra jo modati hai, palkein jo odhati hai
Dil kitne todati hai aa aa aa
Dil ka jahaan de de, badale jaan le le
Saare armaan le le aa

Dekha tujhe sau martaba, phir bhi mera dil na bhara
Maine jo khaab dekhe tere hi saath dekhe
Haathon mein haath de de aa
Meri jo jindagi hai abb teri ho gayi hai
Tujhmein hi kho gayi hai aa.
