

Dekho duniya hai yaaron kitni  
Hasin kitni hai khushi  
Chhodo bhi baatein hai jo  
Bite huye kal ki uss pal ki  
Hai chaar din jina toh soche phir kya  
Dekho main dekho tum jo  
Mil jaaye toh phir kya hai ghum  
Taaron ki tarah chamake hum phir  
Zara toh tum aur main dono  
Milake ban jaaye hum  
Come on come on  
Come on hum hai saath  
Come on come on come on

Socho tum me mujh mein khaas  
Khaas koi toh kahi hogi baat  
Phir socho gar hum mil  
Jaayenge toh hogi roshani  
Phir na hogi raat bikhere  
Khushbu aur thoda jaadu  
Dekho main dekho tum jo  
Mil jaaye toh phir kya hai ghum  
Taaron ki tarah chamake hum  
Phir zara toh tum aur main dono  
Milake ban jaaye hum  
Come on come on  
Come on hum hai saath  
Come on come on come on

Milke maange zara hum zindagi se  
Chhine khushi har ghadi se  
Aur isme saath bhi ho sabhi  
Dekho main dekho tum jo  
Mil jaaye toh phir kya hai ghum  
Taaron ki tarah chamake hum phir  
Zara toh tum aur main dono  
Milake ban jaaye hum  
Come on come on  
Come on hum hai saath  
Come on come on come on
