

Is dil nahi koi, is dil nahi koi
Ham dard khudai me laila ne
Kaha tha ye majnu ke judai me
Bedard jamane me
Bemoat na tum marna
Dekho koi pyar na karna
Dekho koi pyar na karna
Marna lekin pyar na karna
Dekho, dekho pyar na karna

Nigaho ki fitrat badi man chali hai
Badi man chali hai
Jawani jidher jis taraf le chali hai
Udher us taraf to sanam ki gali hai
Udher us taraf to sanam ki gali hai
Sanam ki gali se na hargis gujarna
Dekho koi pyar na karna
Dekho koi pyar na karna
Marna lekin pyar na karna

Ye ulfat ki duniya hai
Duniya niralai duniya niralai
Ye kisse kitabi ye baate khyali
Ye baate khyali
Hua kya ager dil ka daman hai khali
Hua kya ager dil ka daman hai khali
Kabhi dil daman na kato se bharna
Dekho koi pyar na karna

Dekho koi pyar na karna
Marna lekin pyar na karna

Dilo ke khilono ki kimat na dega
Mohabbat ke badale mohabbat na dega
Dilo ke khilono ki kimat na dega
Mohabbat ke badale mohabbat na dega
Kabhi pyar ki izazat na dega
Bura hai jamana jamane se darna
Dekho koi pyar na karna
Dekho koi pyar na karna

Marna lekin pyar na karna
Dekho pyar na karna.
