Aawange ni jadona
Billo laaviye na der
Bharatlyrics.com
Munda main the Hague dava
Howa reappear

Gaane sadde aaj
Jivein paindi ae chaped
Zero competition
Kripya kare naa compare

Sadde naal ve tu kari na
Bohta zyada na interfere
Aggan ni laa daa saare ni passe
Mitti dawa main tel

Lakh vaari bhavein copy kar len
Ne ho jande ne ae fail
Lokkan ne kitta bada ve saanu
Under ni estimate

Sadde wangu eh industry vich
Aawenga naa koi fer
Ik07 aunda baby
Jungle da hi ae sher

Sense na kar sakde ae saare
Aisa naa prepare
Uchhiyan speedan gaddi diyan ne
Tod dawa main gear

Front te rehndi ae har vele nazran
Vekhiye na rear
Saanu ki lagge ki eh sochan
Kara naa really care

Lambiya linean lag gaiyan ne
Laashan da ve dher
Re incarnated makaveli

Naa koi shakespeare

Ehna nu aawe naa koi wali
Tere vass di na game
Aithe na ve koi strong hai baby
Saare feather like weight

Assa dudh main peeta
Te badaama di ae plate
Aa geya pyo ve tera
Bhann davega gate

Aawange ni jade freddy krueger nightmare
Ehna nu main dawa super comboshow ka flame
Girl teri scream kare roz sadda name
Thoda main aggressive baby wild te untamed

Gaadi buggati 400 speed te
Jandi aa ni ve tez
Always on the perfect timing
Kadi na aawa late

Akhan ne saddiyan band ni billo
Fully mila awake
Naa kara wait
