

Main utar aaya ji ishq de akhaade,
Baja de desi beat dholiya
Le jaunga main tenu din dahaade,
Baja de desi beat dholiya
Tere naina maare goliyaan
Main utar aaya ji ishq de akhaade,

Baja de desi beat dholiya

Teri aankhein lovely lovely,
Palkein hai sharaara ve
Kar de tu order mainu,
Laaun band baja ve
Tu hai meri heer kudiye,
Main haan tera ranjha ve
Duniya ko chhodke,
Saadi gali aaja ve

Dil ki galiyan, dil ki yaari
Aasaan nahin hai saanjhedaari
Main toh chain vain sab haari

Karunga main elaan seena phaade,
Baja de desi beat dholiya
Tere naina maare goliyaan
Main utar aaya ji ishq de akhaade,
Baja de desi beat dholiya

Turn the track you got the desi beat
The beats been loud get on your feet
Better keep the music popping,
Gotta feel the heat
Put your hands in the air
If you down with me

Jo haal tera yaara,
Wahi haal mera ve
Meri jindari teh mundeya,
Tera hi basera ve
Mann gayi main tenu channa,
Ki hai tera jigra ve

Choodiyan de utte
Maahi naam likhan tera ve

Tere naino vich hai khona,
Kaisa kiya hai jaadu tona
Dil toh chaahe tera hona

Apni ghodi saari duniya nu pachhade,
Baja de desi beat dholiya
Tere naina maare goliyaan
Main utar aaya ji ishq de akhaade,
Baja de desi beat dholiya

Chak de phatte.
