

Sohni ve sohniye jedo
Da tenu vekheya ae
Tere pyaar ne
Paani zanjeer khich ke
Bharatlyrics.com
Na jaane kab kaise kareeb tere
Lai aayi meri takdeer khich ke

Turn the track you
Got the desi beat
Put your hands in the air
If you down with me

Put your hands in the air
If you down with me

Main utara ajj ishq de akhaade
Baja de desi beat dholiya
To the desi beat to the desi beat
To the desi beat to the desi beat

Le jaunga main tenu din dahaade
Baja de desi beat dholiya
To the desi beat to the desi beat
To the desi beat to the desi beat
Tere naina maare goliyaan
Main utara ajj ishq de akhaade
Baja de desi beat dholiya
To the desi beat to the desi beat
To the desi beat to the desi beat

Teri aankhein lovely lovely
Palkein hai sharaara ve
Kar de tu order mainu
Laaun band baja ve
Tu hai meri heer kudiye
Main tera ranjha ve
Duniya nu chad ke
Tu saadi gali aaja ve

Dil ki galiyan dil ki yaari

Aasaan nahin hai saanjhedaari
Main toh chain vain sab haari

Karunga main elaan seena phaade
Baja de desi beat dholiya
To the desi beat to the desi beat
To the desi beat to the desi beat
Tere naina maare goliyaan
Main utara ajj ishq de akhaade
Baja de desi beat dholiya

Turn the track you
Got the desi beat
The beats been loud
Get on your feet
You gotta keep
The music popping
Gotta feel the heat
Put your hands in the air
If you down with me

Jo haal tera yaara
Wahi haal mera ve
Meri jindari teh mundeya
Tera hi basera ve
Mann gayi main tenu channa
Ki hai tera jigra ve
Choodiyan de utte maahi
Naam likhan tera ve

Ho tere naino vich hai khona
Kaisa kiya hai jaadu tona
Dil toh chaahe tera hona

Apni ghodi saari duniya nu pachhade
Baja de desi beat dholiya
To the desi beat to the desi beat
To the desi beat to the desi beat
Tere naina maare goliyaan
Main utara ajj ishq de akhaade
Baja de desi beat dholiya
