They call me superman

Le javan chak tenu door kite
From this world

Kehte muje superman mere hain laakhon fans par
Tune chheena chain jaagun main din aur rain
Front dekhun side her har angle se tu right
Bilkul saasu maa jaisi teri face figure height
Touch karu kahan poori ki poori tu delicate
Touch karte hi dar lagta hai ho na jaaye meli-vate

Pehle hathon ko dho loon
Phir chhu lunga har bhar kar
Tuje chhuta dar dar kar
Aisa tu sangmar'mar

Uh! Thodi si indian, thodi si exotic meri jaan
Jahan bhi jati badhati wahan taapmaan
Teri khushbu se har kisi ka dil pighalta hai
Tujhme se paseena nahi itr nikalta hai

Jisko puchunga haan karegi itni aukaat hai
Par supergirl ban'ne ki tujhme baat hai
Tujhe khud pata nahi tu kya cheez hai
Mujhse to kismat wali, teri kameez hai

They call me superman
They call me superman
They call me superman
They call me superman
Ban ja meri supergirl
Ban ja meri supergirl
Le jaawan chak tenu door kite
From this world

They call me superman
They call me superman
They call me superman
They call me superman
Ban ja meri supergirl
Ban ja meri supergirl
Le jaawan chak tenu door kite
From this world

Teri talaash tu ghume business class
Bandi tu sab mein khaash figure bhi r-class
Teri body bhi kare meri aankhon ko sood
Tere saath to baby mercedes se bhi smooth

Muskil se 18, upar se kaale baal
Rakhun tere khayal, tu hai bada mehnga maal
Jiski bhi nazar pade wo chahta tujhe chak ne ko
Tabhi to samjhata hu dhake rakhne ko

Suru hui hai abhi toh kafi ugegi tu
Abhi se hai ladke piche, kab tak chhupegi tu
Tere baare mein baat kahun 100 takke ki
Tu hai aisi investment jo hamesa khush rakhegi

Sun nazar na lag jaaye tu thoda kam itraya kar
Kajal rehne de kaal teeka lagaya kar
Thoda sa darta hoon jabse mila tera saath
Gharwaalon ke bole bina karta hoon pooja-paath
