

Desi Wine Song Lyrics

Dass mainu ek gall tu
Ajj aayee tu vi kalli hain na
Aayi club ko ni kal tu
Ghar pe diya bahaana hai na
Why you lookin so lonely
We in the club so you might as well show me
Pour that drink up slowly

Cause i don't wanna go home

I wanna see you back it up
Back it up one time now
Back it up back it up two times
Back it up back it up and rewind now
I wanna see you pull up pull up yeah

Tu karein jado wine desi girl
Chadd jaandi aa mainu
Kareen na tu mind desi girl
You got me grindin up on you

Ve tu pehlaan meri gall ikk sunn
Zaraa khadd ke tu hun bhai
Kalli nahi main taan kudiyaan de naal aayi
Par zaara ho gayi main high
Aur baatein teri behkaayein

Kadd ke tu taur challeyaan
Lutt ke lahore challeyaan
Kadd ke tu taur ve
Kachh jeha lakk mera
Ve tutte na
Fadeen tu hauli mainu ve mundeya
Tere he hathhan main hun aan
Dj let me hear you pull up pull up yeah

Tu karein jado wine desi girl
Chadd jaandi aa mainu
Kareen na tu mind desi girl
You got me grindin up on you

I wanna see you back it up
Back it up back it up and rewind now
I wanna see you pull up pull up yeah

Tu karein jado wine desi girl
Chadd jaandi aa mainu
Kareen na tu mind desi girl
You got me grindin up on you
