

Deva Raaja Song Lyrics

Deva raaja sevyā moordhane
Keerna lochane
Bhaava beeja ganya vaahini
Nithya noothane

Malayaja haasa haasya
Vinimayamuga lalita saadhvithe
Sarasija veeksha naaksha
Vibhajitha kaavya kadhana naayike

Prabhava prabha kalitha
Vibhava subha jalitha
Vibhudha samsthuthya bhumika

Malupu kanapadani
Munupu eduravani
Jagathi cherindi teliyaka

Nijamanukone kreeneedale
Adugaduguna untaayani
Telupadhu kadha o paathamai, chadhuve

Nilakada ane aa maatake
Nilabadamane ardham ani
Athi suluvuga anipinchadhe brathuke

Bhramalamai kaana, bhramaname chesi
Bhramanamoutundi kaalame
Adugu tadabadaga nerchukonu nadaka
Daatukostundi kaalame

Velugu chinukullo veligi poleka
Veligi vasthundi cheekate
Kalusukunnantha kalisipokantu
Manaku choopenu baasate

Jaare jaare nerraalapai
