

Marhami sa chaand hai tu  
Diljala sa main andhera  
Ek dooje ke liye hain  
Neend meri khwaab tera

Tu ghata hai phuhaar ki  
Main ghadi intezaar ki  
Apna milna likha issi baras hai na

Jo meri manzilon ko jaati hai  
Tere naam ki koi sadak hai na  
Jo mere dil ko dil banati hai  
Tere naam ki koi dhadak hai na

Koi Bandhani joda odh ke  
Baabul ki gali aaun chhod ke  
Tere hi liye laaungi piya  
Solah saal ke saawan jod ke  
Pyar se thamna, dor bareek hai  
Saat janmon ki yeh pehli tareekh hai

Dor ka ek main sira  
Aur tera hai doosra  
Jud sake beech mein kayi tadap hai na

Jo meri manzilon ko jaati hai  
Tere naam ki koi sadak hai na
