

Bujha bujha sa hai sama, idhar udhar yahaan wahaan
Hai jisaka naam saahera, woh hai kahaan, woh hai kahaan
Woh hai kahaan, woh hai kahaan haan woh hai kahaan

Saahera saahera saahera saahera saahera o meri saahera
Dhadkan hai tu har dil ki, raunak hai har mehfil ki
Saahera saahera saahera saahera
Dhadkan hai tu har dil ki, raunak hai har mehfil ki
Saahera saahera saahera saahera

Aye jaan-e-ishq aa, baahon mein jhum ja
Bekaif jindagi hai kuchh raunak ke laga
Aye jaan-e-ishq aa, baahon mein jhum ja
Bekaif jindagi hai kuchh raunak ke laga
Saahera saahera saahera saahera
Dhadkan hai tu har dil ki, raunak hai har mehfil ki
Saahera saahera saahera saahera

Yeh hansii aankh jawaan julf, behali huyi chaal
Kaun si dil mein nahi teri mohabbat ka khayaal
Jisape mehbub bhi mar baithe woh mehbub nahi
Sach toh yeh hai ki bahot khub, bahot khub hai tu

Daaman na yun bacha, aankhein na yun chura
Tu ek maikada hai kuchh mastiya luta
Daaman na yun bacha, aankhein na yun chura
Tu ek maikada hai kuchh mastiya luta
Saahera saahera saahera saahera
Dhadkan hai tu har dil ki, raunak hai har mehfil ki
Saahera saahera saahera saahera

Palake jara utha aa ha ha chingaariya uda
Bujhate huye dilon mein halchal si ik macha
Palake jara utha aa ha ha chingaariya uda
Bujhate huye dilon mein halchal si ik macha
