

Tak tak tak jaise chalati hai  
Gaadi chhak chhak chhak chhak  
Jaise karata hai ye  
Dil dhak dhak dhak dhak  
Dhak dhak dhak dhak  
Kal kal kal kal  
O jaise bahati hai nadiya  
Chhal chhal chhal chhal  
Mere mann mein machi halachal

Khan khan khan khan  
Tera kangana khanake  
Chan chan chan chan  
Tere pyaar mein dole  
Mera tan man tan man  
Sun sun meri paayal bole  
Chhun chhun chhun chhun  
Main pyaar ki chhedoon dhun

Chhum chhum mera  
Haathi naache rumajhum  
Jhum jhum jhum jhum  
Mera jhumaka ho gaya gum  
Zara dhoondh ke laao tum  
Main haan tum tum tum  
Chhup chhup chhup  
Chhup chhup chhup  
Shi chup chup chup  
Chup chhup chhup  
O chori chori lock  
Chhup lock chhup  
Lock chhup ham baant  
Len apane dukh sukh  
Dukh sukh  
Dukh sukh dukh sukh

Tham tham tham tham  
Thak gae hain  
Zulmi ham hum  
Ham hum ham hum
