

Dheem Tha Dhirana Lyrics

Manasutho manasuki rahasya sambhashana
Thanuvutho chanvuki vichitra anveshana
Sumame virisinattuga himame kurisinnattuga
Jagame merisinattuga kalavaram kalisenule neela

Emmayo emo telise lope
Neetho aduges a kaadana lekunda
Naaloni kooda edalo edo
Vinipisthu undaa anukokunda

Confusion ni tolaginchi manasulu
Fusion kori maarchaayi dashalu

Maatallo prayanaala teeramu
Vethike velalo okay

Parigetti pedavulu swarajathulenno mellanga chadive
Sangeetaala sammeelanam saaginch e daarilo
Eppudo vinani edalo vinchenu vegam kale
Kalath o teere daare rammantonditaa

Neeteeranaa naa guntelayalona
Moginde cheliyavala
Deentanaa sarigotta pillana
Palikinchinaave priyalana

Nee jathalo naa kathalo

Nee kalle repaayi ennenno lai

Neethoti adugesthunte paadam
O nadipaina marakalu vesina praanam
O maarindi naa teeru konchem konchem
O gamakaala gamanaalu manasontha

Neetho kopam thaapam
Teliyani ishtam kashtam nimisham nuvvu
Lekkunte kooda edure undenu manasuki

Nee intha deena

Mogiche nee dayavala

Needinaa sarigotta pillonaa
Palikinchinaave priyanaa
