

Sard sard saansen aaj tujhe  
Kuchh keh rahi suno zara  
Suno zara zara  
Dheeme dheeme dheere  
Dheere dhadkanen badh rahi  
Ab kare toh kya  
Ab kare toh kya  
Dabe dabe ruke ruke  
Kadmo se aa raha koi nasha  
Koi nasha koi nasha  
Daba daba thama thama seene  
Mein hai pal raha ek  
Dard sa dard sa  
Jaane yeh hamein  
Kya hone laga hone laga  
Jaane yeh hamein  
Kya hone laga kya

Gunguna rahi khaamoshiyan  
Yahi waqt yeh dhale na  
Muskurake waqt yeh  
Keh raha khud ko bhula de  
Dhuan dhuan huan sama  
Suni suni lag rahi kyun yeh fiza  
Kyun yeh fiza  
Jaane yeh hamein kya hone laga  
Jaane yeh hamein kya hone laga  
Kya pata kya pata

Pal do pal ko hi aayi hai roshani  
Phir wahi andhera  
Pal do pal toh saath  
Zindagi jee le zara  
Dara dara yeh mann mera  
Kal phir ho na ho  
Kise pata kise pata  
Zara zara thama thama seene  
Mein hai pal raha  
Ek dard sa ek dard sa  
Jaane yeh hamein
