

Dheere dheere balam karo baat  
Dheere dheere balam karo baat  
Koi hume dekh na le

Badi chor hai chandani raat  
Badi chor hai chandani raat  
Koi hame dekh na le  
Dheere dheere balam karo baat  
Koi hame dekh na le  
Badi chor hai chandani raat  
Koi hame dekh na le

Kisi ne hamko dekh liya to  
Hogi badi ruswayi  
Tab tak milna thik nahi  
Jab tak na baje sahnayi  
Thodi thodi karo mulakat  
Thodi thodi karo mulakat  
Koi hame dekh na le  
Dheere dheere balam karo baat  
Koi hame dekh na le  
Badi chor hai chandani raat  
Koi hame dekh na le

Kyu badnam karte ho mujhko  
Apne pas bulake  
Dhak dhak karta hai dil mera  
Sunlo kan lagake  
Dekho jor se pakdo na hath  
Dekho jor se pakdo na hath  
Koi hame dekh na le  
Dheere dheere balam karo baat  
Koi hame dekh na le  
Badi chor hai chandani raat  
Koi hame dekh na le

Aisa na ho kali ho jaye  
Pyar ki ujali raate  
Soye phul bhi jag uthe hai  
Sun kar apni baate

Jao lipto na tum mere saath  
Jao lipto na tum mere saath  
Haye koi hame dekh na le  
Dheere dheere balam karo baat  
Koi hame dekh na le  
Badi chor hai chandani raat  
Koi hame dekh na le.
