

Dheveri Song Lyrics

Deveri nuvve naa oopiri
Nee kosamm puttadi prema pujaari

Deveri janma needhe mari
Nithone vandella poola radhaari

Nuvvante nenu
Nee vente nenu sadhaa

Nijamidhi nijam
Iruvuramokare manam
Dheevenalidi thadhasthani
Palikene shubha samayam

Thanuvula sagam
Okatiga vodhige kshanamm
Nee madhuvula pedhaalake
Parinayam madhura mayam

Nuvvu naku viluvaina kaanuka
Ledhu jeevitham nuvantu leka
Undalenu nenu ninu choodaka
Kaanthi neeve kadha naayakaa

Nuvve naku pratyekam
Neetho undhi naa lokam
Lenidhedhi ledhe ika

Nuvvu thula maasam
Neetho sawasam
Kavali kada dhaakaa

Nijamidhi nijam
Iruvuramokare manam
