Elli avitiruve... Entha ghaasi maadiruvee
Ayyo devare

Magisi nagisi... Alisoo neenu
Mosagaaranu
Ella kottu.... Kasiyo neenu
Aatagaaranu

O ho, dhikkaara ninage devare
Ee usiru irovarege
Kasidukonda jeevavaa
Marali kodu nanage

Dhikkaara ninage devare
Ninna ee nadege
Kshamisalaare ninnanu
Naanu konevarege

Ayyo... Devare
Ninna nenapalliye
Prati dinavaa kaliyuvudu
Ninna dwani kelalu
Kambaniyuu midiyuvudu

Hege hege saalisuvudu ee vyathe
Yeke yeke baradiruve ee kathe
Helu nee...

O ho, dhikkaara ninage devare
Ee dukka anubavisu
Manasu paduthiro kashtavaa
Neenu baa barisu

Dhikkaara ninage devare
Nanna sweekarisu
Olle tanada jeevava
Matthe nee karesu
