

Dhoom again and run away
With me on a roller coaster ride
Dhoom again and see your
Wildest dreams slowly come alive
Dhoom again we gotta break
The rules and party all the time
Dhoom again we gotta steal
Bharatlyrics.com
The show you know that ain't no crime

So steal all that you can
The magic you began
Let's shout break out
Come on once again let's hear it

Dhoom machale
Once more come on you people
Dhoom machale dhoom machale
Dhoom machale dhoom machale
Dhoom machale dhoom machale
Dhoooooom

Dhoom machale dhoom machale
Dhoom machale dhoom machale
Dhoom machale dhoom machale
Dhoooooom

Dhoom again and feel the beat of
The rythm-rythm of the night
Dhoom again and hear the
Voices calling creatures of the night
Dhoom again and see the
Shadows dancin' in the pale moonlight
Dhoom again and feel your
Heartbeat pumpin' now the time is right

So go walk out the door
Get down get on the floor
Let's shout break out
Come on once again let's hear it

Dhoom machale dhoom machale
Dhoom machale dhoom machale
Dhoom machale dhoom machale
Dhooooooooom

Dhoom machale dhoom machale
Dhoom machale dhoom machale
Dhoom machale dhoom machale

And when love comes your way
You'll know it's here to stay
You'll steal the chance cause
You're the thief of hearts yeah
You'll win with just a glance
Walk away with your romance
There's no more there's
No backin' out now

Dhoom again and make the whole
World crazy set your spirit free
Dhoom again and take a break
Right now come celebrate with me
Dhoom again cause all i wanna
Do is steal the show somehow
Dhoom again cause all i wanna
Say is hey the time is now

Let nothing getcha' down
Go out and paint the town
Let's shout break out
Come on once again let's here it
Dhoom machale dhoom machale
Dhoom machale dhoom machale
Dhoom machale dhoom machale
Dhooooooooom
Dhoom once again

Dhoom machale dhoom machale
Dhoom machale dhoom machale
Dhoom machale dhoom machale

Dhooooooooom
Dhoom come on once again
Dhoom machale.
