

Mere saare vaade vaade  
Reh gaye aadhe  
Hai kusoor kya, hai kusoor kya  
Jeet ke bhi haare haare  
Khwaab ye bichare  
Ye fitoor kya, ye fitoor kya

Duniya deewani, ishq na jaane aa...  
Duniya deewani, ishq na jaane  
Dil toh bas dil ko pehchaane

Naino se naina takraaye  
Na jaane kya dhoonde akhiyaan  
Dhoonde akhiyaan  
Naino se naina takraaye  
Na jaane kya dhoonde akhiyaan  
Dhoonde akhiyaan  
Kaise tumhe ye samjhaaye  
Na jaane kya doondhe akhiyaan  
Dhoonde akhiyaan

Heer na jaane, na jaane Ranjha  
Jaane yeh kaisi dor  
Jud jaaye toh, tode na toote  
Ishq ki aisi dor

Heer na jaane, Ranjha na jaane  
Jaane hai dil mera  
Kahin pe jaake mil jayega  
Naam yeh tera mera

Heer na jaane, Ranjha na jaane  
Jaane hai dil mera  
Kahin pe jaake mil jayega  
Naam yeh tera mera

Log deewane dete hain taane ho...  
Log deewane dete hain taane  
Dil toh bas dil ki hi maane

Naino se naina takraye

Na jaane kya dhoondhe akhiyaan  
Dhoonde akhiyaan  
Naino se naina takraaye  
Na jaane kya dhoonde akhiyaan  
Dhoonde akhiyaan

Kaise tumhe yeh samjhaaye  
Na jaane kya dhoondhe akhiyaan  
Dhoonde akhiyaan

Tu jab jab mujhse roothega  
Mera yaar mera dil tootega  
Dil tootega, jag chhootega  
Jab yaar tu mujhse roothega

Tu jab jab mujhse roothega  
Mera yaar mera dil tootega  
Dil tootega, jag chhootega  
Jab yaar tu mujhse roothega

Duniya deewani deewani  
Log deewane deewane  
Ishq khudari khudari  
Kyun na ye jaane na jaane

Duniya deewani deewani  
Log deewane deewane  
Ishq khudari khudari  
Kyun na ye jaane na jaane

Naino se naina takraaye  
Na jaane kya dhoonde akhiyaan  
Dhoonde akhiyaan...  
Naino se naina takraye  
Na jaane kya dhoonde akhiyaan  
Dhoonde akhiyaan...  
Aa...dhoonde akhiyaan...
