Thana thalape kariginadhe

Neerai paare
Kalathalane
Vidichinadhe
Madhi marichinadhe

Ye laali kosam o
Nee nidhura veche

Megham hrudhayamu
Pagalaka chinukulu
Yeve o chilakaa
Theepi kadhavale
Prathi oka udhayamu
Veche nee venaka

Baadha vidivadi
Dhinamoka ruthuvuga
Poochene chilakaa
Repu ninugani
Nagavulu chilukuthu
Saagu sandhadigaa

Choose choopullo
Preme lekunte
Laabham yemundammaa
Visire gaalullo
Virige kommainaa
Poovai pooyaalammaa

Kumile yedhalona
Kurise chirunavve
Brathukunu dhaatinchadhaa

Megham hrudhayamu

Pagalaka chinukulu
Yeve o chilakaa
Theepi kadhavale
Prathi oka udhayamu
Veche nee venaka

Baadha vidivadi
Dhinamoka ruthuvuga
Poochene chilakaa
Repu ninugani
Nagavulu chilukuthu
Saagu sandhadigaa
