

Dhwaan dhwaan dhwaan uth raha hai  
Rava rava ye gham jal raha hai  
Mastiyo mein sham dubi  
Mastiyo mein sham dubi  
Chain dil ko mil raha hai  
Dhwaan hai idhar dhwaan hai udhar  
Jaha ja rahi hai nazar  
Dhwaan hai idhar dhwaan hai udhar  
Jaha ja rahi hai nazar

Kahi khushiya bik rahi hai  
Kahi dard bik raha hai bik raha hai  
Kahi pyar bik raha hai  
Humdard bik raha hai  
Ye zindagi ek sauda hai ek sauda hai  
Ye zindagi ek sauda hai ek sauda hai

Kis ke dil mein yaha kon utar jayega  
Is nashe mein to ab kya nazar aayega  
Is hasi lau mein sulag ke  
Is hasi lau mein sulag ke  
Kaisa jadu chal raha hai  
Dhwaan hai idhar dhwaan hai udhar  
Jaha ja rahi hai nazar  
Dhwaan hai idhar dhwaan hai udhar  
Jaha ja rahi hai nazar

Kahi aansu bik rahe  
Kahi sapne bik rahe hai  
Kahi khud hi bik rahe hum  
Kahi apne bik rahe hai  
Ye zindagi ye zindagi  
Ek sauda hai ek sauda hai  
Ye zindagi ye zindagi  
Ek sauda hai ek sauda hai

Garm sanso ke ye kaise tufan hai  
Hum se jo uth rahe hum hi anjan hai  
Kuch andhera chha raha hai  
Kuch andhera chha raha hai

Par hume kuch dukh raha hai  
Dhwaan hai idhar dhwaan hai udhar  
Jaha ja rahi hai nazar  
Dhwaan hai idhar dhwaan hai udhar  
Jaha ja rahi hai nazar

Dhwaan dhwaan dhwaan uth raha hai  
Rava rava ye gham jal raha hai  
Mastiyo mein sham dubi  
Mastiyo mein sham dubi  
Chain dil ko mil raha hai  
Dhwaan hai idhar dhwaan hai udhar  
Jaha ja rahi hai nazar  
Dhwaan hai idhar dhwaan hai udhar  
Jaha ja rahi hai nazar  
Dhwaan hai idhar dhwaan hai udhar  
Jaha ja rahi hai nazar  
Dhwaan hai idhar dhwaan hai udhar  
Jaha ja rahi hai nazar  
Dhwaan hai idhar dhwaan hai udhar  
Jaha ja rahi hai nazar.
