Didi didi didi didi zin di wah  
Didi wah didi didi di hazzine day

Yeah uh  
Look who is back like they never left  
They see a gangster and a gentleman kicking the door  
Because of the wall revenge is in the hands of allah

This is so magical  
You better know what you want  
What you are asking for

Didi didi didi didi zin di wah  
Didi wah didi didi di hazzine day
