

Jag chhoote toh chhoote
Mujhe kya saanware
Jab dil ne lagaaya tujhi pe daav re

Jag chhoote toh chhoote
Mujhe kya saanware
Jab dil ne lagaaya tujhi pe daav re

Tujhpe luta doon main toh saari zindagi
Bas waar ke, waar ke re...

Dil beparwah re...dil beparwah re...
Dil beparwah re...dil beparwah re...

Jag chhute toh chhute mujhe kya saanware
Jab dil ne lagaaya tujhi pe daav re

Ho...
Neendon se aage jag khwab bhaage
Samjho ishaara ho gaya
Woh bin bataaye aur bin jataaye
Dekho humaara ho gaya

Jeeti hain maine bas ye teri chahatein
Sab haar ke, haar ke re...

Dil na sharma re...bann beparwah re...
Dil na sharma re...bann beparwah re...

Itna yaqeen hai
Hoti haseen hai
Khud se bhi zyada bekhudi
Jab paas aake aankhon mein jhaanke
Apni si dooji zindagi
Sadke main jaaun kyun na aise pyaar pe
Apne yaar ke, yaar ke re...

Dil beparwah re...dil beparwah re...
Dil beparwah re...dil beparwah re...
