

Ho..aaja jind meriye,
Ho..aaja jind meriye,

Phikke phikke rang saare,
Sinne wich khwaishan de,
Naiyo rukde ne mausam,
Akhan wich baarsihan de,

Ae judai teri dasde tu kiven jarran,
Aa vi ja aa vi ja yaara ve yaara ve aa vi ja,

Methon ki ae hoya kasoore,
Kitta ki main gunah,
Saun rab di naiyo jhootha,
Tuniyo dil di dua,

Methon ki ae hoya kasoore,
Kitta ki main gunah,

Ho..aaja jind meriye,
Ho..aaja jind meriye,

Chooteya saath tera,
Jeen di chah hunn nayi,
Jeen di chah hunn nayi,

Haan..chooteya saath tera,
Jeen di chah hunn nayi,
Ditta vadiya tu sila,
Kalla mainu chad gayi,

Tuttda main jawan mitda jawan,
Channa ve channa ve aa vi ja,

Methon ki ae hoya kasoore,
Kitta ki main gunah,
Saun rab di naiyo jhootha,
Tuniyo dil di dua,

Methon ki ae hoya kasoore,
Kitta ki main gunah,

lyrics

Tutteya taara jadona,
Mangeya tainu sada,
Samjhade mainu zara,
Jind-di da ki karan,

Rab kolon chawan tainu pawan,
Mahi ve mahi ve aa vi ja,

Methon ki ae hoye kasoore,
Kitta ki main gunah,
Saun rab di naiyo jhootha,
Tuniyo dil di dua,

Methon ki ae hoye kasoore,
