

Dil e nadaan zamane
Mein ek dhokha hai
Yeh sab kahane ki baate hain
Kisi ka kaun hota hai

Wahi main hu wahi dil hai
Wahi teri tamanna hai
Yeh ik iljam hai mujhape
Ki meraa pyaar jhutha hai

Wafa ka naam hontho par hai

Khanjar aasatino mein
Samajh le dekhane waalo
Yeh duniya kaisi duniya hai
Dil e nadaan

Woh dil viran hai jisame
Hajaaro aarajuye thi
Jaha laakho diye jalate the
Uss ghar mein andhera hai
Wahi main hu

Woh dil par chot khaayi hai
Ki jite ji na bhulunga
Bharosa kar ke tum pe maine
Apna chain khoya hai
Dil e nadaan.
