

Inkaar karde, ikraar kar lai,
Dil janiya o dil janiya
Jo yeh dil karta hai, ik baari kar lai,
Dil janiya o dil janiya
Inkaar karde, ikraar kar lai,
Dil janiya o dil janiya
Jo yeh dil karta hai, ik baari kar lai,
Dil janiya o dil janiya

Yo yo when i'm with you boy,
I feel incredible
Time spent with you
So unforgettable
Distant memories are
Remembered the more
B'coz you and me together
We will be unstoppable
But something got in the way,
Something so heart breaking
Now i don't know what to say
So much for me to take in
I must have made
A mistake coz there is no ..
All i need is a hit,
So that you keep me

Teri baah phadke, teri lad lag ke,
Channa main bhul gayi
Teri baah phadke, teri lad lag ke,
Channa main bhul gayi
Sadh sadke swaha hoyian,
Saj sadran jindri rul gayi haye
Kise hor nu jaa dil daar kar lai,
Dil janiya o dil janiya
Ik baar chadh ke lakhmaar kar lai,
Dil janiya o dil janiya
Ik baar chadh ke lakhmaar kar lai,
Dil janiya o dil janiya

Kadi jaan badna ae kadi gayr

Lagna ae, teri ki marzi
Kadi jaan badna ae kadi gayr

Lagna ae, teri ki marzi
Kadi hona hai fida kadi rehna hai
Judaa, teri ki marzi haye
Din apne da, itebaar kar lai,
Dil janiya o dil janiya
Jinna karna ae soch vichar kar lai,
Dil janiya o dil janiya
Inkaar karde, ikraar kar lai,
Dil janiya o dil janiya
Jo yeh dil karta hai, ik baari kar lai,
Dil janiya o dil janiya
Jinna karna ae soch vichaar kar lai,
Dil janiya o dil janiya
Jinna karna ae soch vichaar kar lai,
Dil janiya o dil janiya.
