

Dil ka darwaaja khula hai raja, raja raja raja
Aath roz ki tu chhooti leke aaja, aaja aaja aaja
Dil ka darwaaja khula hai raja
Aath roz ki tu chhooti leke aaja
Dil ka darwaaja khula hai raja
Aath roz ki tu chhooti leke aaja

Naya somvaar aayega saath tere
Mere haath mein honge phir haath tere
Manaayenge mangal ko jungle mein mangal
To budh tak chalega yeh mangal ka dangal
To budh tak chalega yeh mangal ka dangal
Mm, maza somras ka mujhe
Bhi jaga jaa, aaja aaja aaja
Pada hai jo parda voh
Aake utha jaa, aaja aaja aaja
Dil ka darwaaja khula hai raja
Aath roz ki tu chhooti leke aaja

Dil ka darwaaja khula hai raja
Aath roz ki tu chhooti leke aaja

Naye gur guruvaar ke seekh le na
Oh, hunar mujhse kuch pyaar ke seekh le na

Bada shukr phir shukravaar ab na hoga
To poora hamaara koi sapna hoga
To poora hamaara koi sapna hoga
Haan haan, to is baar mera vrat bhi
Chhuda jaa, aaja aaja aaja
Tujhe pyaar kar karke kar
Doongi taaja, aaja aaja aaja
Dil ka darwaaja khula hai raja
Aath roz ki tu chhooti leke aaja

Dil ka darwaaja khula hai raja
Aath roz ki tu chhooti leke aaja

Shanivaar ki raat bhaari padegi
Mohabbat ki gaadi se gaadi ladegi
Ravivaar ko apna paigaam hoga

Ke chhooti ke bin bhi bahut kaam hoga
Ke chhooti ke bin bhi bahut kaam hoga
Haaye, meri saaton raatein
Suhaagan bana jaa, aaja aaja aaja
Manaayenge khushiyaan
Bajaayenge baaja, aaja aaja aaja
Dil ka darwaaja khula hai raja
Aath roz ki tu chhooti leke aaja

Dil ka darwaaja khula hai raja
Aath roz ki tu chhooti leke aaja.
