

Ek jaan hai hum

Passion aggresion

Can i leave it somewhere

Ohhh dil dil haii dil dil miljaneee de

Passion aggresion can i leave it somewhere

Dil ka yeh sikaaaaa chal jaaane de

Rishta yeh rishta pak jaaane de

Dur dil se nahi hai hummm

Dur jism alag haii sahi

Ek hi jaan ek noorr

Lamba safar umre ka hai

Tanha guzar ta nahiii

Sar pe agar dhoop na hooooo

Saya utar ta nahiiii

Rishtey binaa hai jise tarah

Saye bina admii

Dil ki kisi dori se hai

Bandhaa huaa addmiii

Ooo runaway never leave you soul behind you

O o o slow it down , be sure to carry it too

Ooo runaway never leave you soul behind you

O o o slow it down , be sure to carry it too

Passion aggresion can i leave it somewhere

O dil dil hai dil dil mil jane de

Passion aggresion can i leave it somewhere

Dil ka yeh skkikaaaaa chal jaaane de

Ristaa yeh rishtaa pak jaaane de

BHARAT  
lyrics

So when you ask  
I be your dear brother  
Bharatlyrics.com  
Someone who's always there  
To be by your side  
Dont let it pass  
It really does matter  
If we never ever look back  
Here's what you mean to me  
I want to smile shout out  
Scream out  
I find my strenght  
Right here with you  
You're my strength

Door dil se nahi hai to hum dur  
Jism alag hi sahi  
Ek hi jaan ek noor

Door dil se nahi hai to hum dur  
Jism alag hi sahi  
Ek hi jaan ek noor.
