

Dil kaa guldasta baaho kaa haar  
Saath me isake bahut sa pyaar  
Lekar aaya sarkaar kar lijiye swikaar  
Kar lijiye swikaar

Dil kaa guldasta baaho kaa haar  
Saath me isake bahut sa pyaar  
Lekar aaya sarkaar kar lijiye swikaar  
Kar lijiye swikaar

Maana ab tak hum the kuch majboor  
Rah ke paas bhi hum the kitni door  
Lekin hum tum aakhir mil hi gae  
Sapne aakhir phoolo se khil hi gae  
Phoolo se khil hi gae  
Phoolo se khil hi gae

Dil kaa guldasta baaho kaa haar  
Saath me isake bahut sa pyaar  
Lekar aaya sarkaar kar lijiye swikaar

Haa haa hamane kiya swikaar  
Mere yaar mere yaar  
Hamane kiya swikaar  
Mere yaar mere yaar

Thande mausam me aag yeh kaisee lagee haay  
Kaise mod pe aa gayee zindagee, achha jee  
Bin piye aaj yeh kya hamako ho gaya ho ho  
Pyaar kaa har taraf chhaane laga hai nasha, maar daala  
Chhaane laga hai nasha  
Chhaane laga hai nasha  
Dil kaa guldasta baaho kaa haar  
Saath me isake bahut sa pyaar  
Lekar aaya sarkaar kar lijiye swikaar  
Haa haa kar to liya swikaar  
Mere yaar mere yaar  
Kar to liya swikaar  
Mere yaar mere yaar

Khoye ham rahe in gori gori banhon me

Reshami julf kee pyari pyari chhanv me  
Gam bhee koyee aane naa payega jahan  
Pyaar kee bastiyan ham basayenge vahan  
Ham basayenge vahan  
Ham basayenge vahan  
Are dil kaa guldasta baaho kaa haar  
Saath me isake bahut sa pyaar  
Lekar aaya sarkaar kar lijiye swikaar

Ho ho hoto gaya swikaar  
Mere yaar mere yaar
