

Dil ke tukde tukde kar
Ke muskurake chal diye
Dil ke tukde tukde kar
Ke muskurake chal diye
Jate jate yeh toh bata ja
Ham jiyenge kis ke liye
Dil ke tukde tukde kar
Ke muskurake chal diye
Dil ke tukde tukde kar
Ke muskurake chal diye

Chand bhi hoga tare bhi honge
Ful chaman me pyare bhi honge
Lekin humara dil naa lagega
Bhigegi jab jab rat suhani
Aag lagayegi rut masatani
Tuhi bata koyi kaise jiyega
Dil ke maron ko dil ke malik
Thhokar lagakar chal diye

Dil ke tukde tukde kar
Ke muskurake chal diye
Jate jate yeh toh bata ja
Ham jiyenge kis ke liye
Dil ke tukde tukde kar
Ke muskurake chal diye

Ruthhe rahenge aap jo ham se
Mar jayenge ham bhi kasam se
Sun le hath chhudane
Se pehle jan humari
Naam peh tere jayegi
Yek din dilabar mere
Soch samajh le jane se
Pehle yu agar tum dil ke
Tamanna ko mitakar chal diye
Dil ke tukde tukde kar
Ke muskurake chal diye
Jate jate yeh toh bata ja
Ham jiyenge kis ke liye
