

Dil kisi ka dil churana chahata hai
Kisko ye apna banana chahata hai
Dil kisi ka dil churana chahata hai
Kisko ye apna banana chahata hai
Jane isko kya huya hai aajkal
Ishq me khud ko mitana chahata hai
Dil kisi ka dil churana chahata hai

Bekarari hai badi mujhe aajkal
Nind aati hi nahi ab rat bhar
Dhadkane bechain hai betab hai
Kiski chahat ne kiya hai ye asar
Ha jagi soyi aankhe,
Aankho me sirf khawab
Bhigi bhigi sanse, sanso me ek aag
Aag badati ja rahi hai is kadar
Pyar se isko bhujana chahata hai
Dil kisi ka dil churana chahata hai
Kisko ye apna banana chahata hai

Ye mahobat dard hai ya hai dawa
Kuch nahi ha kuch nahi ha humko pata
Hum tadapte ja rahe hai har ghadi
Par tadap kar aa raha hai kyu maja
Ho dhire dhire dekhe hota hai aur kya
Kaisi hai ye khumari kaisa hai ye nasha
Oo dard badata ja raha hai is kadar
Dard me dil muskarana chahata hai
Dil kisi ka dil churana chahata hai
Kisko ye apna banana chahata hai
Jane isko kya huya hai aajkal
Ishq me khud ko mitana chahata hai
Dil kisi ka dil churana chahata hai.
