

Dasu, rishi rich
You are like a mirage and i see you everywhere
When i come close you disappear,
Tell me whats going on
Is there something that i say it all dear to you
Cause you know this share got me feeling loose
I cant let this go on, did i love you
Tell me was it worth it lady tell me
When you made all these promises to me
I felt like i was exposing your beat in my heart
Did i love you
Dil kya kare jab kisi se kisi ko pyar ho jaye
Did i love you
Jaane kaha kab kisi ko kisi se pyar ho jaye
Did i love you

My heart could beat out and it is so miles away
In this one way goddamn relationship
Tell me when i give up, jaane kaha
Is there something that i say it all dear to you
Cause you know this share got me feeling loose
I cant let this go on, did i love you
Tell me was it worth it lady tell me
When you made all these promises to me
I felt like i was exposing your beat in my heart
Did i love you
Dil kya kare jab kisi se kisi ko pyar ho jaye
Did i love you
Jaane kaha kab kisi ko kisi se pyar ho jaye
Did i love you

Tell me was it worth it lady
Kisi se pyar ho jaye, did i love you
Dil kya kare jab kisi se kisi ko pyar ho jaye
Did i love you
Jaane kaha kab kisi ko kisi se pyar ho jaye
Did i love you, did i love you
