

Ashq nigahon se beh behke
Khud ek din tham jayenge
Aur jab yaad meri aayegi
Mudkar hum na aayenge
Aur jab yaad meri aayegi

Mudkar hum na aayenge

Dil mere ab yun na ashq baha
Mana tujhme na ishq raha
Dil mere ab yun na ashq baha
Mana tujhme na ishq raha
Dil mere ab yun na ashq baha
Mana tujhme na ishq raha
Humko hasee ke badle mein
Dard jude hum dard raha

I dont wanna go i dont wanna go
Come on baby save me i am sach on the road
I loose my shadow hey girl with out you
Dont have a single hat but you still have two
Give me just one reason why did you made it so harder
When i go back from the swet sim so hajer

Tumse mila jo bhi hain mila
Ho chahe dard ya ho gila
Waaqif hoti na mujhse zindagi
Ashq kabhi na main jaanta
Tuth gaya jo tha murjaya
Khwaab jo aankhon mein muskaya
Phir se dekh na paayenge

Dil mere ab yun na ashq baha
Mana tujhme na ishq raha
Dil mere ab yun na ashq baha
Mana tujhme na ishq raha
Humko hasee ke badle mein
Dard jude hum dard raha

I'm throwing you out from all my vein
I dont want any one to heal my pain

Tears in my eyes work still i'm smiling
Life is a song lets find some rhyming
Ending this story with haif a to stanza
This way is a fly of since extra workenza

Badhkar had se tha jo bhi kiya
Khatir tere na kaafi raha
Raahein teri jo maine chuni
Mudkar na aayegi kab ilm tha
Inh raahon par main khoya
Haste haste hun roya
Par tum bin reh jaayenge

Dil mere ab yun na ashq baha
Mana tujhme na ishq raha
Dil mere ab yun na ashq baha
Mana tujhme na ishq raha
Humko hasee ke badle mein
Dard jude hum dard raha.
