

Ik paakistaani chehrra
Us pe zulfoon kaa pahraa
Jaise koi pahnaa gaya
Jaise koi pahnaa gaya
Dulhan ko phulon kaa sahraa
Meri nazron ne tere
Labon ko chumaa
Meri nazron ne tere
Labon ko chumaa
Dil dil dil dil
Dil pardesi ho gaya
Dil pardesi ho gaya

Is dil ko ye kaisa ehsaas hai
Lagtaa hai kyun aisa
Tu kahin paas hai
Teri khushbu havaaon
Mein bikhri hui
Lagti hai ye shaam
Kuchh khaas hai
Jhuki jhuki nazron se
Chori chori dekhaa
Jhuki jhuki nazron se
Chori chori dekhaa
Dil dil dil dil
Dil pardesi ho gaya
Dil pardesi ho gaya

Aanchal teraa khyaaalon
Pe yun chhaa gaya raat
Mein hi savera nazar aa gaya
Teri jhaanjhar ki gunj ye
Sataaye sanam pyaar
Chupke se saavan barsa gaya
Chehre se julfen
Hataa ke jo dekhaa
Chehre se julfen
Hataa ke jo dekhaa
Dil dil dil dil
Dil pardesi ho gaya

Dil pardesi ho gaya

Aa aa aa aa aa aa

Mohabbat hai meraa

Naam naam naam

Ishq hai meraa kaam kaam kaam

Meri adaa qurbaani

Par log karen badnaam

Badnaam hun hun

Dam hai to daaman uthaa

Dam hai to daaman uthaa

Varnaa main chali

Salaam salaam salaam

Haay dheere dheere

Aanchal shaane se dhalkaa

Dheere dheere aanchal

Shaane se dhalkaa

Dil dil dil dil

Dil pardesi ho gaya

Dil pardesi ho gaya

Ik paakistaani chehrra

Us pe zulfon kaa pahraa

Jaise koi pahnaa gaya

Jaise koi pahnaa gaya

Dulhan ko phulon kaa sahraa

Meri nazron ne tere

Labon ko chumaa

Meri nazron ne tere

Labon ko chumaa
