

Dil tadap tadap ke keh raha hai aa bhee ja
Too humse aankh na chura, tujhe kasam hai aa bhee ja
Dil tadap tadap ke keh raha hai aa bhee ja
Too humse aankh na chura, tujhe kasam hai aa bhee ja

Too nahee toh yeh bahar kya bahar hai
Gul nahee khile ke teraa intejar hai
Too nahee toh yeh bahar kya bahar hai
Gul nahee khile ke teraa intejar hai
Ke teraa intejar hai
Ke teraa intejar hai
Dil tadap tadap ke keh raha hai aa bhee ja
Too humse aankh na chura, tujhe kasam hai aa bhee ja

Dil dhadak dhadak ke de raha hai yeh sada
Tumharee ho chukee hu mai, tumhare pas hu sada
Dil dhadak dhadak ke de raha hai yeh sada
Tumharee ho chukee hu mai, tumhare pas hu sada

Tum se merree jindagi ka yeh singar hai
Jee rahee hu mai ke mujhko tumse pyar hai
Tum se merree jindagi ka yeh singar hai
Jee rahee hu mai ke mujhko tumse pyar hai

Muskurate pyar ka asar hai har kahee
Ham kahan hain dil kidhar hai kuchh khabar nahee
