

Dil to milte hain bichhad ne ke liye  
Phool khilte hain bikharne ke liye  
Aashiya bante ujadne ke liye  
Abb samajh aaya ke chahat kya hai

Abb samajh aaya ke chahat kya hai

Bekarar tum bekarar hum  
Ishq ne diya sirf dardo gham  
Toot ghaya apna silsila  
Hum ko pyar main kucha nahi mila  
Hum ko pyar main kucha nahi mila

Need udati hai chain khota hai  
Chote laghati hai dard hota hai  
Koi hasta hai koi rota hai  
Aab samjh aaya ke chahat kya hai  
Aab samjh aaya ke chahat kya hai

Koi rahe ghaya intzaar main  
Koi lute ghaya jeet haar main  
Koi fash ghaya dil ki baat main  
Umar kat ghayi gai ek raat main  
Wada karte hai mukara jaate hai  
Logha hadese gujar jaate hai  
Chand lamhoo main bhikhar jaate hai  
Abb samajh aaya ke chahat kya hai  
Abb samajh aaya ke chahat kya hai

Chahat kya hai, chahat kya hai.
