

Dilemma Lyrics

You don't want this die die no more
Turn up in anybody face like a shutter
Drugs them really like the cold this winter
We not think that you could meet my gun
You could meet my gun

O uk alliye ni gal karein tu slang ch
South hall ghumdi ayen naddiyan di gang ch
Fresh out bail munda weapon aan de case cho
Tos face killer e mein hunda botank ch

Bhai bhai chare passe hundi aa jawab nu
Pura karu tere har aasle de khwaab nu
Jithe karun sim auto rakhi teri mitheye
Stef ki ayy london ch chal tu punjab nu

Want this die die no more
Turn up in anybody face like a shutter
Drugs them really like the cold thi winter
We not think that you could meet my gun
You could meet my gun

Want this die die no more
Turn up in anybody face like a shutter
Drugs them really like the cold thi winter
We not think that you could meet my gun
