

Jagegee rat bhar, aur bhagegee sath par par dalegee
Belagam khayalo ko, puchhegee yeh sawal aur mangegee
Yeh hisab naa sunegeee tere jawabo ko
Yaha hai ek nadee aur wahan ek lal kila
Par kaha hain iss shehar kaa falsafa

Yaha aansu aur git, aur javanee kee maine tere nam
Kiya par aadhi rat, aur sadke thee sab mere bad
Mai tha, too thee, aur thee dillee bass

Kahee koyee udd raha hain, kahee koyee gir raha hain
Kahee koyee hain khada kagar peh, kahee koyee kele juva
Aur kahee koyee bane gulam, aur kahee koyee hain pada intzar me
Jab gaya kal mai kutubminar, aur suna tha maine ailan kee
Banee hai yaha ek nayee party aawara hai nam
Bhatkana hai jiska vidhan fursat hai kam
Kuchh dhundala sa jaishe kanshan hai
Wahan mai tha, too thee, aur thee dillee bass

Dekhe yaha kayee, mausam badlate huye
Dekhe jasbe kayee, yaha paththar banate huye
Kayee wakt se pehle, sab aaj too kehle

Yaha aansu aur git, aur javanee kee maine tere nam
Kiya par aadhi rat, aur sadke thee sab mere bad
Mai tha, too thee, aur thee dillee bass

Aawara hai nam bhatkana apna vidhan hain
Fursat hai kam kuchh dhundala sa apna nishan hai
Aur mai hu, too hain, aur hain dillee bass.
