

Do lafzo ki hai, dil ki kahaani
Yaa hai mohabbat, yaa hai javaanee
Do lafzo ki hai, dil ki kahaani
Yaa hai mohabbat, yaa hai javaanee

Dil ki baato kaa matalab na puchho
Kuchh aur hamase bas ab na puchho
Dil ki baato kaa matalab na puchho
Kuchh aur hamase bas ab na puchho
Jisake liye hai, duniyaa divaani

Yaa hai mohabbat, yaa hai hai javaanee

Yeh kashtiwaala kya ga raha tha
Koyee ise bhee yaad aa raha tha
Yeh kashtiwaala kya ga raha tha
Koyee ise bhee yaad aa raha tha
Kisse puraane, yaade puraanee
Ya hain mohabbat, ya hain javaanee

Iss jindagee ke, din kitane kam hai
Kitanee hain khushiya, aur kitane gam hai
Iss jindagee ke, din kitane kam hai
Kitanee hain khushiya, aur kitane gam hai
Lag jaa gale se, rut hain suhaanee
Ya hain mohabbat ya hain javaanee

Do lafzo ki hai, dil ki kahaani
Yaa hai mohabbat, yaa hai javaanee.
