

Do naino ne jaal bichhaya
Aur do nainaa ulajh
Gaye ulajh gaye
Ek wahi bedard na samajhaa
Duniyaawale samajh
Gaye samajh gaye

Dil tha ek bachapan ka saathi
Wo bhi mujhako chhod gaya
Wo bhi mujhako chhod gaya
Nikat anaadi anjaane se
Mera naata jod gaya

Main birahan pyaasi ki pyaasi

Saawan aaye baras
Gaye baras gaye
Do nainon ne jaal bichhaya

Baithe hain wo tan man ghere
Baithe hain wo tan man ghere
Phir bhi kitani dur hain wo
Main to maari laaj sharam ki
Kis kaaran majabur hain wo

Jal mein doobe nain hamaare
Phir bhi pyaase taras
Gaye taras gaye
Do nainon ne jaal bichhaaya.
