

Tere hotho ke do phul pyare pyare
Tere hotho ke do phul pyare pyare
Mere pyar ki baharo ke najare
Ab mujhe chaman
Se kya lena kya lena

Teri ankho ke do
Tare pyare pyare
Meri rato ke
Chamakate sitare
Ab mujhe gagan se
Kya lena kya lena
Tere hotho ke do
Phul pyare pyare

Teri kaya kanchan kanchan
Kirano ka hai jisame basera
Teri sanse mahaki mahaki

Teri julfo me kushbu ka dera
Tera mahake ang ang
Jaise sone me sugandh
Mujhe chandan
Van se kya lena kya lena
Teri ankho ke do tare pyare pyare
Meri rato ke chamakate sitare

Maine dekha jabse tujhako
Mere sapane hue sinduri
Tujhe pa ke mere jivan dhan
Har kami hui meri puri
Piya ek tera pyar mere solah singar
Mujhe ab darpan se kya lena kya lena
Tere hotho ke do phul pyare pyare
Mere pyar ki baharo ke najare

Tera mukhda damake chamake
Jaise sager pe damake sawera
Teri bahe pyar ke jhule
Teri baho me jhule man mera

Teri mitthi har baat
Lagti hai barsat hume
Ab sawan se kya lena
Kya lena

Tere hotho ke do phul pyare pyare
Teri ankho ke do tare pyare pyare
Ab mujhe chaman se kya lena
Ab mujhe gagan se kya lena kya lena
Hume kya lena kya lena.
