

Tu kon hai tera nam bata
O dilruba hame na sata
Hu london me bole
Mujhe juliyat juliyat
India me bole mujhe laila oye laila
Punjab jau bole hiriye
Marte hai sab mujhpe chaila

Oye tera ek or bhi to naam hai mahbuba
Dole dole dil dole, bole dil bole ke
Tu kiski mahbuba
Dole dole dil dole, bole dil bole
Main to hoon sabki mahbuba
Dole dole dil dole, bole dil bole
Ke tu kiski mahbuba
Dole dole dil dole, bole dil bole
Main to hoon sabki mahbuba

Hazaro mere age hazaro
Mere piche akeli jawani meri
Mai afat hu mai, kayamat hoon
Main jawani tufani meri
Hazaro mere age hazaro mere
Piche akeli jawani meri
Mai afat hu mai, kayamat hoon
Main jawani tufani meri

Jo mujhe tham le pyar se kam le
Mai usi ki to hu dilruba
Dole dole dil dole,
Bole dil bole ke tu kiski mahbuba
Dole dole dil dole,
Bole dil bole main to hu sabki mahbuba

Ada na pucho meri kabhi hoon main cheri
Kabhi hu mai rshila anar
Mai chunar albeli hazaro mein akeli
Ho re mere pallu ki mar

Ada na pucho meri kabhi hu mai cheri
Kabhi hu mai rshila anar

Mai chunar albeli hazaro me akeli
Ho re mere pallu ki mar

Ab jo chole mujhe
Wo na bole mujhe

Marliyan dalto nahi adona nahi nahi
