

Sun, main hoon thoda sanki  
Karun mann ki  
Baby gaana lagade thoda funky  
Nahi mann ki  
Nahi dhan ki  
Ye baat hai tere tann ki

Paagal ho jaaun jab tu ho rubaru  
Na lamba ocha gora chitta  
Phir bhi dil mein tu  
Ishq ne tere kiya hai bekaaboo  
Jaisa hai waisa hi pasand mujhko tu jaanu

I just wanna feel your body  
Saanu kare ishaare  
Touch my body  
Don't be shy my honey  
Saanu kare ishaare

I wanna feel your body  
Saanu kare ishaare  
Touch my body  
Don't be shy my honey  
Saanu kare ishaare  
Touch my body  
Fly my honey  
Don't be shy my honey  
Befikar fly my honey  
Don't be shy my honey

Kuch bhi bole bina

Aankhon se tu baat kare  
Ye shaitani jaan bujhke mere saath kare

Tujhko dekhe bina dil mera ab kahin lage nahi  
Tere husn pe aankhein sek sek kar thake nahi  
Upar se raat hoti ja rahi hai naughty naughty naughty...  
Don't be shy my honey...

I wanna feel your body  
Saanu kare ishaare  
Touch my body  
Don't be shy my honey  
Saanu kare ishaare  
Touch my body

I wanna feel your body  
Saanu kare ishaare  
Touch my body  
Don't be shy my honey  
Saanu kare ishaare  
Touch my body

Fly my honey  
Don't be shy my honey  
Befikar fly my honey  
Don't be shy my honey.
