

Jeene ke hain sau wajah  
Le har maza tu ho ho ho  
Khone ko saara jahaan  
Ab daud jaa tu ho ho ho..  
Aaj hi hai kal tera le faisla tu  
Bandishon ko to tod jaa tu  
Saansen chala tu ho ho ho...

Roke hain na jaane kyun ye  
Toke hain na jaane kyun ye  
Karte hain na jaane kyun sawaal  
Mere hain ye saare sapne  
Band aankhon ke mere apne  
Ghar mein ye karte hain kyun ye bawaal  
Kyun na ye jaane hu pe na chalegi marzi  
Zamaane humse...zamaane se hum nahi  
Don't control us...don't control us...

Don't control us...don't control us...

Hai khula ye jahaan chal chala..  
Rok naa..naa re  
Manchala hai chala...bah gaya..  
Yun tok naa...naa re.  
Thokaron se dar nahi hai, jaante sambhalna  
Mushkilon ki roz leke jaan pe nikalna  
Karegi saari duniyaa salaam  
Kyun na ye jaane...hum pe naa chalegi marzi  
Zamaane humse...zamaane se hum nahi  
Don't control us...don't control us...  
Don't control us...don't control us...

Jaanun main na jaane tu kya hoga fir abhi  
Par jeene ka hai maza jab jiyo zindagi  
Maane tu na maanu main koi philosphy  
Par apni strategy samjhe koi bhi nahi  
Tune suna, maine kaha... Zor chadha...zor badha..  
Kyun na ye jaane...hum pe naa chalegi marzi  
Zamaane humse...zamaane se hum nahi  
Don't control us...don't control us...

Don't control us...don't control us...
