Aaj laa ke firdi makeup ni

Naale sua sau bal tu khaani ai

Sorry kehke gal makouni ai

Taiyon aini hadd tu jhuki hai  
Bhaave upron aini soni hai  
Par andron taa mar vukhi hai  
Kinniya de dil tode ne ki

You confuse that you captain

How much i grace had much  
Higher hopes for you get  
Since you become stress  
I move to the next  
Let's go..

Pyar karna hun sikh laa  
Aaj tu badalna ni phir bhul jaa  
Chhad de mera pichha  
Tut gaya sadda rishta  
You won't even be miss for a second  
I can gaurantee  
You shoud've listened what i was sayin  
But you didn't see

Ho nazran 'ch tu gir gai ai  
Nafrat de vich tu khid gai ai  
Ho taash de pattiyan wangu  
Sab te hathan vich fir gi ai  
Sun dhokebaaz rakaane ni  
Paa le aik tu khaane ni  
Saade lai tu aaj to hai  
Hamesha lai tu margi ain

Reh jaayengi tu kalli ni  
Phir ho jaayegi tu jhalli ni  
Tu kardi akkal kaali ni  
Teri mat gayi haaye maari ni  
Yaad karengi manj nu  
Pher uth ke raat tu saari ni

Ho..yes you will
