

Yeah ranveer singh,  
Jack and jones homies,  
Check it!

Live every day like it's my aakhri or pehla,  
Na hoon fukra na hoon vella,  
Tere nehle pe hoon dehla,  
Beta main hoon tera guru aur tu hai mera chela,  
That ranveer guy's so crazy,  
Haan main hoon saala hatela,  
I'm a freak in this carnival,  
Instincts of an animal,  
Ruthless like a cannibal,  
Foolish and hungry all and sundry,

Be warned ab batao king kaun?  
It's on i'm king kong,

A storm is coming,  
From back in the day my rhymes they be wack,  
But i spit 'em anyway 'cause i don't hold back,  
From back in the day my clothes they be wack,  
But i wear 'em anyway 'cause i don't hold back,

Maine maari entry crowd goes bonkers,  
I come see conquer dance floor stomper,  
Nuclear bomber all night romper,  
So loud i could bust the amp,  
Enroll in my swagger camp,  
Can't stop won't stop cherry pop,  
Raise your fist in the air for the people's champ,

I'm the firestarter twisted firestarter,  
And i fight harder 'cause i don't hold back,  
Toh chalo kadam badhao,  
Aur haath uthao jigra toh dikhao,

Sun saala!

From back in the day my rhymes they be wack,  
But i spit 'em anyway 'cause i don't hold back,

From back in the day my clothes they be wack,  
But i wear 'em anyway 'cause i don't hold back,

From back in the day my rhymes they be wack,  
But i spit 'em anyway 'cause i don't hold back,  
From back in the day my clothes they be wack,  
But i wear 'em anyway 'cause i don't hold back

And now it's my day and i might be wack,  
But i'm killin' this 'cause i don't hold back,  
Peace.
