

Youngstarr pop boy!

Oh pinda wich munda bada sokha akh na
I'm just, done with you
Ho kalla kai boundary to paar si
Taiyo bas tokda reha

Why did you leave me
Kyun mainu chad gai
Munda saari raat sochda reha

Why did you leave me
Kyun mainu chad gai
Ho Munda saari raat sochda reha

Teri wrong seat season valid na reason
Wrong seat season valid na reason
Aunde bure thought tokhda reha

Why did you leave me
Kyun mainu chad gai
Ho Munda saari raat sochda reha

lyrics

Why did you leave me
Kyun mainu chad gai
Ho Munda saari raat sochda reha

Ho miami aali beach utte marriage lai
Force si nitt mainu kar di
Intolerance level si lod tera
Hight talk kade na ci jatt di

Ho kardi stares khrab di
Kalla sab duniya to roch da reha

Why did you leave me
Kyun mainu chad gai
Ho Munda saari raat sochda reha

Aan...Jese hi lagne laga
Kismat na khoti

Bandi gai london
Waha se na loti
Jaate wakt kehti mujhe list de do Gift ki
Fir whatsapp par breakup kar khiski

Mere paas reh gaya kya
Gumm aur whisky
Mere paas reh gaya kya
Gumm aur whisky
Ab bani hai tu hum dum kiski
Choda tune marji se
Now you wanna miss me

Addat hai meri
Kamana gawana
Fir inn galtiyan ko
Rojana dohrana

Pyar se kya kehti mujhe boo boo jaan
Par jaate jaate De gai ek bahana

Ho mauke hue plan ni, Future de
Akhaan wich tear ni aunde ne

Tere tight hug da si atti ho gaya
Laare je french nu jagaunde ni
Ho Jimmy naal game play kar di
Pyar da stunt nochda reha

Why did you leave me
Kyun mainu chad gai
Ho Munda saari raat sochda reha

Why did you leave me
Kyun mainu chad gai
Ho Munda saari raat sochda reha

Why did you leave me
Aake mere kareeb
Soch soch din hogaye takleef

Why did you leave me
Jo bhi thi teri preet
Laake yaari todd dene sadi pind
Kinne reh gai reet.
